Soroptimist International of Raleigh, NC serves to increase access to education for women and girls, primarily through our Dream programs. This year, in addition to our awards, our outreach included delivering three "My Present, My Future, My Plan" workshops to 14 women at the Salvation Army Center of Hope family shelter in Raleigh. The workshops focused on overcoming obstacles, creating SMART goals, and managing stress, helping them build confidence, clarity, and a path forward. Feedback from participants was overwhelmingly positive.

“ I am so thankful to the members of Soroptimist International of Raleigh. I admire the way you support women, encourage others to follow their dreams, and give back with grace. I am honored to be in the room with such inspiring women, and I hope one day I can give back and inspire others just as your organization has inspired me. ”
